

Do you have a loved one who is prone to wander or may become disoriented?

ABOUT US

The Take Me Home program is a new initiative from the Beaumont Police Department and 911 Communications Division that helps first responders quickly and safely reunite individuals with their families.

THIS REGISTRY IS DESIGNED FOR THOSE WITH:

**Alzheimer's or Dementia | Autism Spectrum Disorder | Intellectual or Developmental Disabilities
Or any condition that makes it difficult to communicate or navigate safely.**

How it Works:

Families can register their loved ones by providing:

- A current photo
- Physical description
- Medical needs or conditions
- Emergency contacts
- Helpful calming strategies

This information is stored securely and only accessed by dispatchers, the Real Time Crime Center, and officers responding to incidents.

Why Register?

- Faster response times in an emergency
- Improved officer awareness and sensitivity
- Peace of mind for families
- A simple way to help protect your loved one

**Keep Your
Loved One Safe**
