

Instructions for Wrecker/Tow companies:

If you are a company/entity/individual seeking a permit to conduct Wrecker operations (incident management tows) inside the city limits of Beaumont:

- 1) Print out and complete the Tow Truck Company application.
- 2) Contact the Beaumont Police Traffic Unit tow company point of contact at (409)980-7271 to set up an appointment.
- 3) At your appointment, each Vehicle Storage Facility will be inspected. See City ordinance for requirements
- 4) The required paperwork will be collected. This paperwork includes:
 - a. Company application
 - b. TDLR paperwork for company and Vehicle Storage Facility
 - c. Vehicle registration, cab card, insurance for each tow truck
- 5) After the inspection(s) a receipt will be given and you will be billed by the City within a week.
- 6) Tow trucks will be inspected at this time also. Any truck not inspected will be considered unpermitted and cannot pick up an incident management tow until they are inspected. A separate appointment must be made to inspect any wrecker that was not present/failed/new purchase/replaced. Those inspections will be completed at the Traffic Office.
- 7) Each Tow truck will be given a copy of the completed inspection to place inside the vehicle. This copy must be carried at all times and produced at the request of any Peace Officer. Any failure to produce this form could result in a citation for Unpermitted Tow.
